VOLUME 1

PUBLISHED BY
THE STUDENTS OF GREENSBORO SENIOR HIGH SCHOOL
GREENSBORO, NORTH CAROLINA

*Long ago and far away
We dreamed fine dreams one day.
And now those dreams are here beside us.*

Foreword

We are all dreamers. In our minds we dwell on things which are highly improbable. Sometimes, however, these fancies materialize—the *Whirligig* is an example: our stadium and new Alma Mater are examples—therefore we chose “dreams” as a theme for the first issue. We do not plan to stop dreaming. Who knows what more we might accomplish?

After the theme was chosen, our next problem was finding a name for our “dream-come-true.” The staff asked for help by holding a contest. From all the suggestions made by the interested student body we decided upon *Whirligig* as the perfect name. Our athletic teams are called the Whirlwinds; moreover, O’Henry, a favorite son of Greensboro, wrote a book entitled *Whirligigs*. When we consulted Webster for a definition of “whirligig”, we found it to mean anything which rotates from a pivot, and Greensboro is the Pivot of the Piedmont. We are delighted to have hit upon *Whirligig*, a title so appropriate and attractive.

***Just one look and then we knew
that all we’d longed for
had come true.***

Through the last two decades we have lacked many things here at Greensboro High School, some of which are still needed to nourish the growth of our school; but never, not even in the disrupted years of depression and war, have we lacked a responsible leader. With all the gratitude of which we, the students, are capable, we dedicate this first issue of the *Whirligig* to our industrious principal, Mr. A. P. Routh. It is he who, although he has chosen to remain in the background, played a large part in making the yearbook possible. He has concerned himself, however, not only with school spirit and the welfare of the students but also is prominent in all worth while civic and community affairs. Perhaps part of the credit for his success can be attributed to his charming wife and the happy home which they enjoy. By this dedication we wish to proclaim our appreciation of our good fortune.

Mr. and Mrs. A. Paul Routh

Class of 1949

It was largely through efforts of a group of members of the Class of 1949 that the drive was started which clinched the long struggle for a yearbook. These few worked with zeal, although they realized that it was too late to see the dream come true that year. A group of students asked the Merchants' Association for permission to solicit advertising. Although unable to grant this request, the Merchants' Association suggested a plan of sponsorship, which was later adopted.

In connection with this, the Class Day program last year was entitled, prophetically, "This is the Annual, Mr. Routh."

The Senior Class included twenty-three gold star wearers. As in former years, superlatives were chosen, and the May Queen came from the Seniors.

One of the highlights of the year was the trip to Washington, D. C. Complete with Confederate flags, the members invaded the national capital for the yearly sightseeing tour.

The class worked under the direction of Miss Estelle Mitchell as faculty advisor.

Class of 1950

Each new class seems to bring new ideas. Our class of 1950, in its Junior year, started the plan of having projects for the three classes. The Juniors took the job of choosing marshals for the Commencement Exercises and inaugurating a clean-up campaign. A committee monthly graded the various homerooms. The grand winner for the year was awarded a five dollar prize.

This year the Seniors have taken charge of selling tickets for the Senior play, planting shrubbery around the new stadium, and presenting the Christmas pageant.

Miss Ida Belle Moore was the hard-working and patient advisor.

JUNIOR CLASS OFFICERS (*left to right*): Norman Schlosser, Vice-President; Mrs. Nellie Blackburn, Advisor; Jerry Bryan, President; Julia Thomas, Secretary; and Billy Eller, Treasurer.

Class of 1951

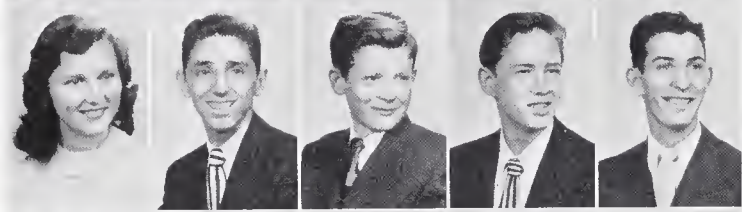

This was our Junior year. Little time was lost in getting the new year underway. We began by electing our class officers in the spring of 1949. Our council meetings were held every Wednesday. Blue and gold were chosen as class colors. In the two years that we have attended Greensboro Senior High School, we have continuously worked on projects which might benefit and aid in the improvement of our school. Our Sophomore year began with a "School of Honor Campaign" and closed with the Sophomore Talent Show. This year was highlighted by a Clean-up Campaign. Throughout the year we worked on other projects, some of which were the presentation of the Thanksgiving program, the selling of tickets for the Dramatics Club play, and the conducting of the Junior Forum. We have had our serious moments and our fun, and now that we have reached the two-thirds mark in our journey through Senior High School, we are looking forward to the year that will climax them all.

Class of 1952

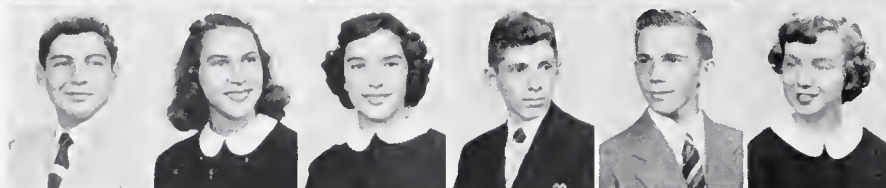

Although the Class of '52 is the newest in our school, it has gotten into the swing of things early and has proven to be a hard-working and spirited group. The big project for the year was "G. H. S., School of Courtesy." An assembly program was presented on this subject, posters appeared in the halls, and reminders were given over the public address system. The group emphasized all phases of courtesy which should be practiced in the cafeteria, classes, halls, and at sports events. Miss Virginia Powell led the class through a smooth first year, and upperclassmen will feel secure when they leave the school in the capable hands of the class of 1952.

Miss Dorothy McNairy
Advisor

Of all the organizations in our high school, the Student Council is most important, for around it every other group revolves. Its contributions have been along the lines of social development, promotion of school spirit, training in leadership and citizenship, maintenance of high scholarship standards, and fostering of closer cooperation between students and faculty. Among the numerous activities which the Student Council sponsored this year were the school dances, May Day, the elections, Social Standards Day, and Homecoming Day. The advisor for this group is Miss Dorothy McNairy.

We beg you, dear reader, to handle this treasured book with all the tenderness in your keeping. Here are our dreams realized. This book is factual in many ways—it had to be. We wanted you to see into every cranny and corner of your school-home.

All juniors and seniors had become accustomed to the "battle cry" for a year-book. It was the campaign promise of

many worthy candidates for office—way back further than Doug Hunt in 1941 and more recently, Ted Leonard. Always there was the promise, "I will do all in my power to get an annual." Of course, in any cause much groundwork must be done before—well, Bob Carlson did it. "Big Bob", with sleeves pushed up, persisted and persisted until late in the spring of 1949 *we got it*. We interviewed engravers, printers, and photographers. "Nothing but the best," we said. "The book must come out before school ends." "We must have

cash on the spot." These were our watch-words, our goals, and we haven't deviated once.

We started with a "too big staff," but gradually we became the ones you see pictured on these four pages.

We had our fun at times: "Fred the Head"; "Birgel behind bars"; John "paste 'em up" Colson; Thatch incessantly typing, punctuating each sentence with a joke; Edwin with his pitiful plea, "Come on, Thatch—"; Mrs. LeGwin having to climb in and out of the window and patting herself on the back for "knowing how to pick 'em."

Of course, we've had our serious moments. You'll believe that when we tell you that not one single thing was rejected by our engraver or printer, and that our dead lines were met in plenty of time.

One of the things of which we are most proud is our school newspaper, *High Life*. During the past year the paper has received first place ratings by the Columbia Scholastic Press Association and the National Scholastic Press Association, and honorable mention by Quill and Scroll. The students who are on the staff plan, write, and proof read material, make up dummy sheets, handle subscriptions, sell advertising, collect advertisements, and handle the publication in all respects. Mr. Underwood is the literary advisor; Mr. Routh, the financial advisor; and Mrs. Faver, the art advisor.

The purpose of Torchlight, National Honor Society, is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character. In the fall seniors who have been elected to our Honor Society are "tapped." Additional seniors and second-semester juniors are initiated in the spring. To be eligible students must have a scholarship rank in the first fourth of their respective classes. With Miss Mims as advisor the Society gives a Talent Show every spring to raise money for its annual scholarship fund.

Orchestra

During the past eight years the orchestra has grown in size and ability, until now it is one of the best balanced school orchestras in the South. The orchestra plays for assemblies,

pageants, and the radio. Small groups also play for church services, civic clubs, and for radio and television. Members of the orchestra participate in All-State Orchestra clinic and the full orchestra plays in the State Music Contest each year, consistently receiving a high rating. Many members have been selected to play in the All-Southern Orchestra, which has included trips to Birmingham, Alabama, and Tampa, Florida. This year a group was selected to play in the All-State Orchestra when it performed for the Music Educators National Conference, which met in St. Louis. Each year the orchestra joins with Miss Tuttle and the vocal groups in the staging and presentation of their operetta. Many former members are continuing musical activities in college, where they are achieving outstanding records.

The program for the Girls' Glee Club this year was full and varied. The organization presented us with assembly programs and participated in the State Music Contest and the State Music Festival. In addition to taking part in these activities, the Choir staged an operetta, "Tragedy in the Tavern", and gave programs to the colleges and civic clubs in Greensboro. Both groups are under the direction of Miss Eula Tuttle.

Miss Tuttle is our favorite leader for assembly singing. Pictured below her is a scene from one of her original entertainments. Roger Jewett and Mary Jane Kornegay are enjoying the leading roles in "Tragedy in the Tavern."

Key Club

The Key Club, sponsored by the Kiwanians, has made steady progress since its organization in 1948. Advised by Mr. Bruce Peabody and Mr. Gay Hensley, the club has carried out its purpose of serving the school, building better citizens, and developing leadership. The club holds a supper meeting each Thursday night at the Y. M. C. A. The main service project of the year was the publication of a student directory. Other projects included the selling of drinks at football games and the decorating of a Christmas tree for the main hall. Most of the members attended the state convention in Winston-Salem, and several journeyed to Columbus, Ohio, for the national meeting.

The D. D. T. social club makes sure it has plenty of fun, and its twenty members thrive on social life. Eagerly anticipated by every D. D. T. is the annual Christmas dance. The very successful 1949 dance, attended by over four hundred teen-agers, was held at picturesque Sedgelynn Inn in the true Yuletide spirit. Christmas is not the only occasion for a D. D. T. function. The White Lake house party at Easter, the beach trip in the summer, and many other festivities make the life of a D. D. T., one of year-round good times.

The G. W. I. Club started its social activities this school year with a hayride. An initiation was held in October for new members. The victims were blindfolded, taken to High Point in pajamas and pigtailed, and made to do stunts on a main street. A Christmas party was given during the holidays and presents were exchanged. The big event of the year was the formal dance given in April. The club was formed in 1947 and still has seven active charter members.

When the Monogram Club was organized in the spring of 1949, Greensboro High School had lacked an organization of this nature for many years. Athletic Director Bob Jamieson serves as the club's advisor. All boys who have earned a varsity letter in any sport are eligible for membership. Weekly meetings are held as the group strives to promote better school spirit, good sportsmanship by both fans and players, and better friendship between the boys participating in varied sports.

The nucleus of the Whirlie football team (*left to right*): Coach Smith, Co-Captain Siler, Coach Jamieson, Co-Captain Attayek, and Coach Baker.

Showing their new split "T" formation for the first time, Greensboro eked out a 13-12 victory over Wilmington. The Easterners scored first, but the Whirlies came back in the second period as Joe Attayek went twenty-three yards in three plays to tie the score 6-6. Greensboro went ahead for good in the third quarter when Tiny Burtner scored the second Whirlie touchdown. Bo York kicked the winning extra point.

The dreams and works of thousands of Greensboro citizens were finally realized and rewarded when our new 10,000 seat stadium was dedicated by a rousing 19-0 victory over highly regarded Raleigh. There was never any doubt as to the outcome; Greensboro scored early and never allowed Raleigh to threaten. The visitors could make only sixteen net yards rushing. The Whirlies' three TD's were made by E. N. Hale, Joe Attayek, and Bobby Enochs.

Whirlies clip Blackbirds 12-0

Rain and mud couldn't stop Greensboro as they won their third straight game. This time the Rocky Mount Blackbirds were the victims. The Whirlies scored the first time they got their hands on the ball and again in the third period on a fifty-seven yard pass play from E. N. Hale to Tiny Burtner.

Charlotte tops Greensboro 19-7

Following Charlotte's second touchdown, E. N. Hale took the kickoff and raced seventy-seven yards to the Charlotte twenty-two. On the next play, Rodney Harrelson twisted his way to paydirt. This was the only bright spot for Greensboro as a big, rough Wildcat team severely jolted our hopes for the conference title.

Green Wave bows to Whirlwind 7-0

In a game much more one-sided than the score indicates, Greensboro threatened many times but could score only once in winning over a stubborn Gastonia team. E. N. Hale sneaked over for the game's only tally late in the first period, climaxing a sustained drive of eighty yards. Lindy Brown made a sensational catch of Hale's pass for the extra point.

Moving in on the play are Joe Attayek (45) and Bob Murray (52).

Greensboro routs Asheville 27-12

The Asheville game was the best showing of the year for the Whirlie offense, which ground out three hundred yards rushing as it scored once in each period. Bobby Enochs ran through and around the previously undefeated Maroons to score three touchdowns. Clint LeGette scored Greensboro's final TD on a quarterback sneak.

Reynolds uses breaks to win thriller 19-13

Reynolds scored two quick TD's. Joe Attayek grabbed a Reynolds pass, raced seventy-five yards for a touchdown, and later scored another to tie the score at 13-13. Reynolds capitalized on breaks to score the winning touchdown.

Golden Lions tie Whirlies 7-7

In the first period Bobby Enochs scooted twenty-seven yards to paydirt. A few minutes later the Reidsville Golden Lions passed their way across the goal line and tied the score 7-7. For the remaining three periods the two teams battled on even terms. The Whirlies threatened late in the fourth quarter, but their hopes were crushed by a costly penalty.

Salisbury blocks punts to win 25-7

On a rain soaked field Salisbury blocked four Greensboro punts and scored after each one. Greensboro's touchdown came in the final quarter when Joe Attayek passed to E. N. Hale. Hale made the catch on the Salisbury forty and went all the way.

Left: E. N. Hale picks up valuable yardage against the Reidsville Golden Lions. Right: Bobby Enochs dashes twenty-seven yards for a TD in the Reidsville game.

Whirlies topple High Point 6-0

The first half was a terrific battle between two lines, and neither team was able to score. Early in the third quarter Joe Attayek intercepted a Bison pass near midfield and raced to the High Point one, and eighty-five yards to the ten, but a fumble and a penalty spoiled their scoring opportunities. A stout Whirlie line held the Bison offense in check throughout the game.

Burlington Bulldogs chew Whirlies 20-6

The powerful Burlington Bulldogs, Western Conference Champions, dedicated their new stadium by running roughshod over the Whirlies. The Burlington backs rolled up yardage through the middle and around the ends as the Whirlie line was ripped to shreds by the hard-charging forward wall of the Bulldogs. Greensboro's lone touchdown came on a spectacular fifty-six yard punt return by Bobby Enochs.

Whirlies defeat Mexicans 34-12

A touring Mexico City team fell before the Whirlie grid machine to bring the 1949 season to a successful close. The visitors from south of the border were outclassed, but they showed great spirit and fought gamely until the final whistle. Rodney Harrelson scored the first Greensboro touchdown, and Bobby Enochs and Joe Attayek each tallied twice. Enochs' first TD came on a seventy-nine yard run using the Statue of Liberty play.

Coach Jamieson discusses strategy with Captain Lindy Brown.

Four starters returned from the forty-nine cage squad to give Coach Jamieson a good foundation on which to build a winning team. These four—Lindy Brown, Bill Campbell, Doug Kincaid, and Bill Jarvis—combined with Jack Thomas to form the first team. In early season games the Whirlies looked impressive, and hopes for a championship team ran high. Grover Minor, Bob Kennerly, Pete Hall, and Connie Butler showed promise of developing into fine players.

. . . Finis . . .

The 1950 *Whirligig* is completed. The last proofs have been received from the engraver; the last copy has been typed; the last advertisements have been collected. As we look back over the period of long, hard work, we are reminded of those who have made this book possible. At this time it is fitting that we express our appreciation:

First, there is Mr. Routh, our principal, who was unceasing in his efforts to make this book possible; then, Mrs. LeGwin, who so patiently guided us from the time that this annual was only an idea until it became a reality.

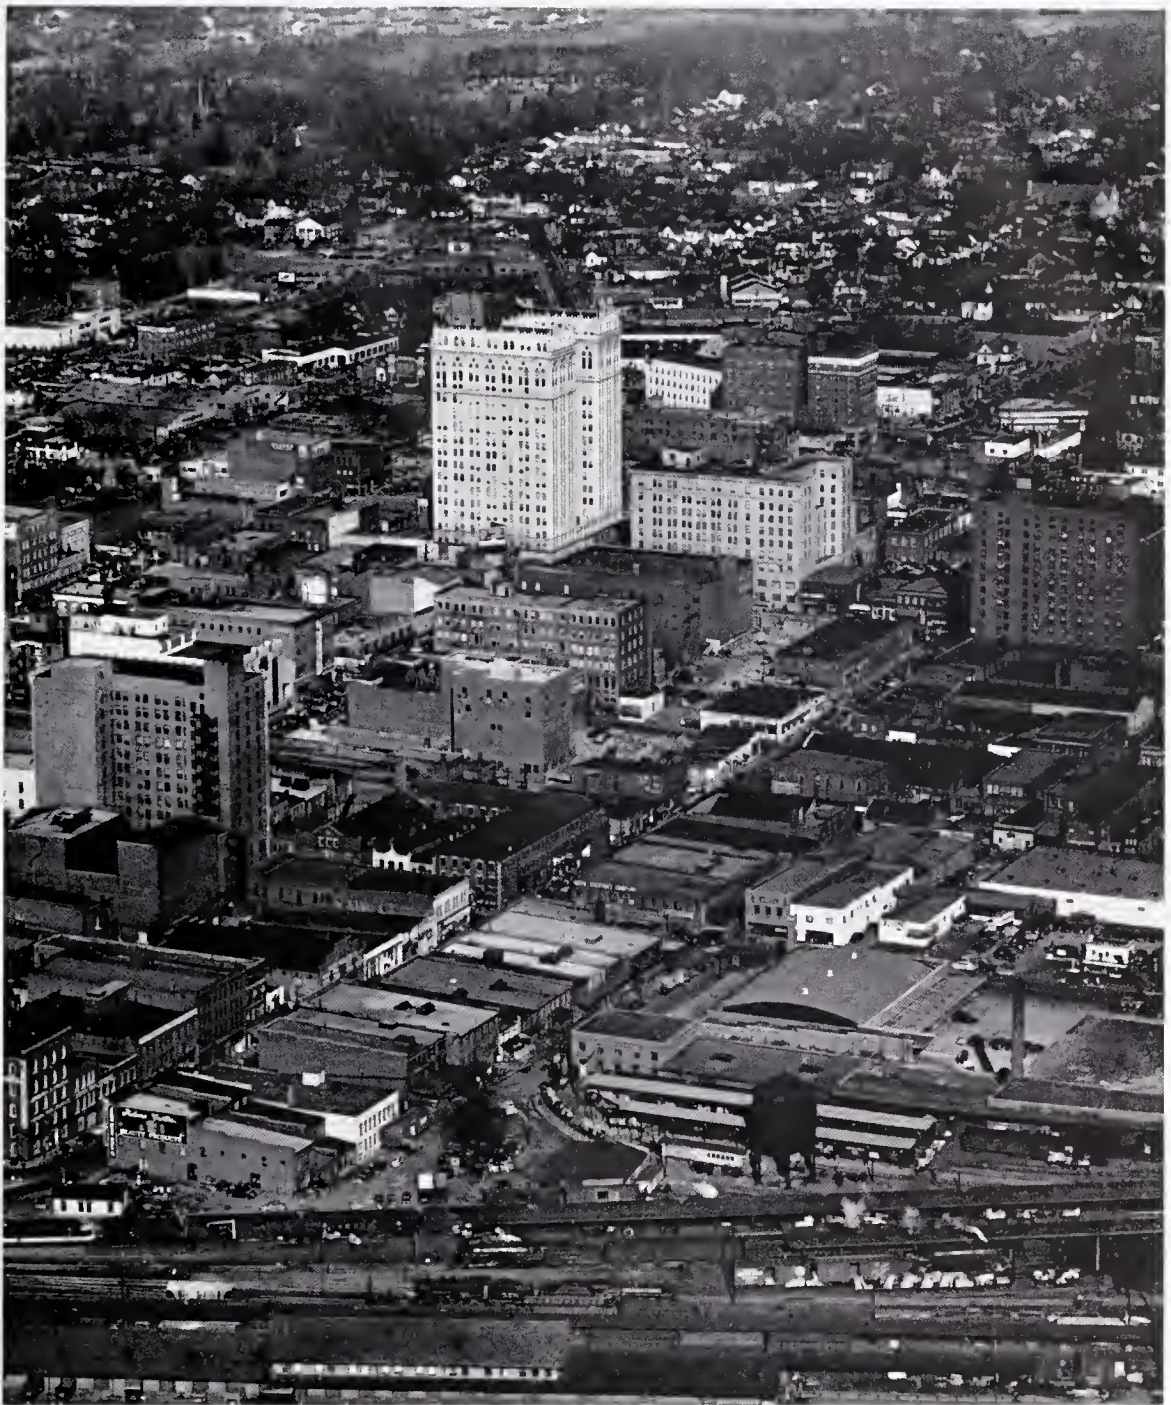

We should like to thank Mr. John E. Clark of Jahn and Ollier Engraving Company and Mr. Frank M. Fleming of the Lassiter Press for their excellent service and advice. From the first glance, the fine quality of the photography in this book is noticeable. For this we should like to thank Mr. Carol W. Martin and Mr. Malcolm Miller of Martin's Studio, and Mrs. Betty McClure of Meyer's Studio and her staff.

From the very beginning, the citizens and business interests of Greensboro have given us their wholehearted cooperation. Without the support of these sponsors and advertisers, the publication of this book would have been impossible.

Last, but certainly not least, we should like to thank the members of our staff. All did much to help, but a few merit special recognition. Carolyn Birgel and John Colson, our chief assistants, were indefatigable; much credit is due them. Nancy Benson, Edwin Boyd, and Thatcher Townsend worked long and tirelessly to prepare the many pages of copy necessary. We praise also Carole Williams and Rebecca Frazier, cheerful and willing; and Barbara Blaylock, efficient and dependable.

To you, our readers—the faculty and students of Greensboro High School—many thanks for *your* cooperation.

The value of the telephone isn't just the calls you make. Sometimes the calls you receive are even more important. You'd miss a lot if the telephone wasn't there.

Just on calls you make, the telephone's a big bargain in convenience, security, success and good times. When you add the calls you receive, it's an even bigger value.

Indians weave baskets . . . writers weave plots . . . we weave modern fabrics for Americans. In our type of weaving . . . as in good baskets and good stories . . . good results can be achieved only by strict attention to fundamentals. That is a basic principle with us. Every fabric begins with a solid and practical foundation of quality. To do this job, and do it right, we need ambitious young people to help us. We are always glad to discuss opportunities in the textile business with those genuinely interested.

A Short Course in Success

Back in 1923 the twenties were just beginning to roar . . . folks were singing "Barney Google", "Ain't Goin' Rain No Mo'", and "Yes, We Have No Bananas" . . . jazz music was the new sensation and a dance called the *Charleston* was sweeping the nation . . . the ladies were striving for a boyish figure and the Ziegfeld Girls were the toast of Broadway . . . over in Germany a scrawny little Nazi named Adolph Hitler was thrown in the clink for fomenting a beer-hall rebellion. It was quite a year.

That same year in Burlington, North Carolina, workmen were clearing a nearby cornfield to build a small textile mill. Some local businessmen were risking their money in a bedspread manufacturing venture. That was the beginning of Burlington Mills, a company destined to play a leading role in the rise of man-made yarn from obscurity to a place of major importance in textiles.

During the past 25 years Burlington Mills has grown from one small mill at Burlington into one of the world's largest producers of rayon fabrics. It now has 74 plants in six states and four foreign countries employing over 27,000 people. Teamwork between management and skilled, loyal employees made Burlington Mills a textile leader. Teamwork also produced the highest quality textile products at the lowest possible cost.

This successful formula was possible because American free enterprise permitted constant improvements in materials and machinery, development of our human resources, better methods of production, and an incentive for progress and growth. The formula brought better quality fabrics to the consumer. It brought better jobs, higher pay, increased benefits, and excellent working conditions to employees.

And so, 25 years after, Burlington Mills wears a badge of success. Its multitude of products are truly "*Woven Into the Life of America*".
